

Student Engagement Conference

FOCUS ON THE FUTURE

The Annual Student Engagement Conference is a gathering of student leaders from across West Virginia University.

The conference joins these engaged young people with top leaders from service learning and political organizations around the state. Training sessions, workshops, forums, and hands-on service are part of the agenda.

The conference also provides access to new ideas and service projects. It allows all participants to establish meaningful relationships that will help them become a more engaged citizen.

BENEFITS

- Network with state & national Civic Leaders
- One Hour SRVL Course Credit for all participants
- Learn ways to become civically engaged
- Professional Development

Registration Cost **\$100.00**
